Chi è CertiProf®?

CertiProf® è un Organismo di certificazione USA, fondato nel 2015, con sede a Sunrise, Florida. La filosofia si basa sulla creazione di conoscenza per la comunità con la rete di collaboratori internazionali e consiste in:

- I nostri **Lifelong Learners (LLL)** si identificano come Lifelong Learners, dimostrando la loro fermezza impegno per l'apprendimento permanente, che è di vitale importanza nel mondo odierno in continua evoluzione ed espansione del mondo digitale. Indipendentemente dal risultato dell'esame.
- Università, centri di formazione e facilitatori in tutto il mondo fanno parte della nostra rete di alleati **ATP (Partner di formazione autorizzati.)** **PMTSI è un ATP di CertiProf®**
- Gli autori sono esperti del settore o professionisti che, con le loro conoscenze, sviluppano contenuti per la creazione di nuove certificazioni che rispondano alle esigenze del settore.
- Personale interno: il nostro team distribuito con operazioni in **India, Brasile, Colombia e Stati Uniti** è incaricato di superare gli ostacoli, trovare soluzioni e fornire risultati eccezionali.

Who is CertiProf®?

CertiProf® is a certifying entity founded in the United States in 2015, currently located in Sunrise, Florida.

Our philosophy is based on the creation of knowledge in community and for this its collaborative network is made up of:

- Our Lifelong Learners (LLLs) identify themselves as Lifelong Learners, demonstrating their unwavering commitment to lifelong learning, which is vitally important in today's ever-changing and expanding digital world. Regardless of whether or not they win the exam.
- Universities, training centers, and facilitators around the world are part of our network of allies ATPs (Authorized Training Partners.)
- The authors (co-creators) are industry experts or practitioners who, with their knowledge, develop content for the creation of new certifications that respond to industry needs.
- Internal Staff: Our distributed team with operations in India, Brazil, Colombia, and the United States is in charged with overcoming obstacles, finding solutions, and delivering exceptional results.

WHAT IS A DIGITAL BADGE?

Is a digital representation of a learning outcome, experience or competency, they can be shared and verified online in a way that is easy and secure. Credly's Acclaim Platform badges link to metadata that provides context and verification. They can be shared across the Internet for maximum visibility and recognition.

Benefits

Badges provide employers and peers concrete evidence of what you had to do to earn your credential and what you're now capable of.

Helps you to share your achievements on your social media.

You will have verified employability skills in a portable way, making you "work-ready". You can access labour markets, insights, search active jobs and even apply to them.

Digital Badges Are

We are committed to providing you with the tools necessary to achieve your professional goals and we understand that communicating your credentials in an ever-expanding online marketplace can be challenging. That is why we have partnered with Credly's Acclaim platform to provide you with a digital version of your credentials.

Share and Verify Your Achievements Easily

#CertiProf #LifelongLearner

Holders of this particular badge have demonstrated their unwavering commitment to lifelong learning, which is vitally important in today's ever-changing and expanding digital world. It also identifies the qualities of an open, disciplined and constantly evolving mind, capable of using and contributing its knowledge to the development of a more egalitarian and better world.

Acquisition Criteria:

- Be a candidate for a CertiProf certification
- Be a continuous and focused learner
- Identify with the concept of lifelong learning
- Really believe and identify with the concept that knowledge and education can and should change the world.
- Want to boost your professional growth

Alliances and Memberships

ITCC (IT Certification Council)

The fundamental purpose of the ITCC (IT Certification Council) is to support the industry and its member companies by marketing the value of certification, promoting exam security, encouraging innovation, and establishing and sharing industry best practices.

"Joining the board of the ITCC has been very important to us, as we are committed to the improvement and growth of our certification programs. Being able to collaborate with other industry leaders in pursuit of their empowerment and contribute to innovation and being able to participate in industry efforts to increase the value of education is very rewarding for us," said Alejandra Zuluaga, VP, Business Development & Strategic Growth.

CERTIPROF® Professional Knowledge

Agile Alliance

In order to provide a better service and experience to our partners, we have joined the Agile Alliance corporate program. Our goal is to keep building an agile culture in North and Latin America.

By joining the Agile Alliance corporate program, we continue empowering individuals by helping them reach their potential through education. Every day, we provide more tools and resources allowing our partners to train professionals that are looking to improve their professional development and skills.

Visit www.agilealliance.org to learn more.

ANSI

The American National Standards Institute (ANSI) is a private, non-profit organization that administers and coordinates the U.S. voluntary standards and conformity assessment system. Founded in 1918, the Institute works in close collaboration with stakeholders from industry and government to identify and develop standards- and conformance-based solutions to national and global priorities.

Together, standards and technical regulations impact up to 93% of global trade. Globally relevant standards and the conformance measures that assure their effective use help to increase efficiency, open markets, boost consumer confidence, and reduce costs. And ANSI is the U.S. leader in fostering that potential for the benefit of businesses across every industry and consumers around the world.

For more information on ANSI, visit ansi.org

Credly

Credly is helping the world speak a common language about people's knowledge, skills, and abilities. Thousands of employers, training organizations, associations, certification programs, and workforce development initiatives use Credly to help individuals translate their learning experiences into professional opportunities using trusted, portable, digital credentials.

Credly empowers organizations to attract, engage, develop, and retain talent with enterprise-class tools that generate data-driven insights to address skills gaps and highlight opportunities through an unmatched global network of credential issuers.
